The map of the Taipei Zoo is divided into several main sections, each with its own set of exhibits and facilities. The sections are color-coded and labeled as follows:

- 溫帶動物區 (Temperate Zone):** Located in the top left, featuring exhibits for penguins, bears, and various birds.
- 非洲動物區 (African Zone):** Located in the top center, featuring exhibits for African mammals like lions, giraffes, and zebras.
- 澳洲動物區 (Australian Zone):** Located in the top right, featuring exhibits for Australian mammals like kangaroos and koalas.
- 沙漠動物區 (Desert Zone):** Located in the middle right, featuring exhibits for desert animals like camels and snakes.
- 亞洲熱帶雨林區 (Asian Tropical Rainforest Zone):** Located in the bottom right, featuring exhibits for tropical rainforest animals like tigers, leopards, and various birds.
- 兒童動物區 (Children's Zone):** Located in the bottom left, featuring exhibits for children's animals like rabbits and small mammals.

Key facilities and landmarks include:

- 行政中心 (Administrative Center):** A large building complex in the center-left, housing various administrative offices and a library.
- 教育中心 (Education Center):** A building complex in the center-right, housing various educational programs and a library.
- 動物園車站 (Zoo Station):** The main entrance and exit of the zoo, located at the bottom center.
- 貓空纜車 (Cable Car):** A cable car system that runs along the right side of the zoo, providing a scenic view of the city.
- 水舞劇場 (Water Show Theater):** A large outdoor theater located at the bottom right, featuring water shows and performances.

The map also includes a compass rose in the bottom left corner, indicating North (N), South (S), East (E), and West (W). A scale bar at the bottom center shows distances in meters (公尺) and kilometers (公里).
